

Greetings from the Riverside Educational Center,

The Riverside Educational Center's *12th Annual Taste of Riverside* fundraising event will be held on **Saturday, October 9, 2021**. We are especially looking forward to welcoming participants to **REC's new home at the JRM Building** for this event, as we all look forward to celebrating as a community once again.

Proceeds from the Taste of Riverside go directly to support Riverside Educational Center programming. Support from events like this help us provide over 400 income qualifying youth in the Grand Valley with after-school services including academic support, extra-curricular activities, mentoring, a summer enrichment program, and parent engagement activities.

The recent generosity of our donors has allowed us to expand summer enrichment programs and purchase an additional bus to transport students safely. We've also increased the number of students we serve at two of our tutoring sites. Future plans include expanding our impact beyond our current 10 sites. We are always planning for where to go next and you can help us get there!

We would like to personally invite you to donate an item to our auction and take advantage of the opportunity to increase your visibility in our community, while contributing to the mission of our organization. Please see the attached **Silent Auction Donation Form** for details.

Also, if you have questions about REC or would like to make a financial donation, please call me at 970-589-5039.

**Thank you in advance for your interest and support.**

Sincerely,

**Joy Hudak, Executive Director**
